GIVES RELIEF QUICKLY.

Regular Use of Hyomei Cures Most Stubborn Case of Catarrh.

No other medicine gives such prompt relief as Hyomei in the treatment of catarrh.

The first breath of this remedy soothes and heals the irritated and smarting air passages, and the regular use for a few days or weeks will cure the most stubborn case. Some of the reports of those who have been cured of catarrh by Hyomei read like miracles.

John S. Gray of Redmond Hills, Pa., writes: "I am 82 years old and have been a sufferer with catarrh in the head for 25 or 30 years. I have doctored with many specialists and they all told me that the disease was incurable on account of my age. After using Hyomei a short time I was greatly benefited and can now say that I am entirely cured. It has been six months since I stopped using the remedy and I still remain cured."

The complete Hyomei outfit costs but \$1.00, consisting of an inhaler, dropper and sufficient Hyomei to last several weeks. This will effect a cure in ordinary cases, but for chronic and deep-seated cases of catarrh longer use may be necessary, and then extra bottles of Hyomei can be obtained for 50c.

Probably the strongest evidence that can be offered as to the powers of Hyomei to cure catarrh is the fact that Rickert & Wells will agree to refund the money if you say that Hyomei has not helped you.
